

Corazon

The Heart & Vascular Experts

Solutions for Outstanding Cardiovascular Programs

Lorraine Buck, RN, MSN, MBA
Senior Consultant

CAREER SUMMARY

Lorraine is currently serving as a Senior Consultant at Corazon. With a notable education and professional background in clinical and operational aspects of healthcare, she offers a level of expertise that is critical to project management. Her 20 years of experience has proven to be instrumental and effective in defining both management and nursing knowledge when being approached for guidance, and she has a wealth of experience in streamlining operations for well-developed or newly-expanded cardiovascular programs and physician practices. From the knowledge and expertise she has obtained throughout her career and education, Lorraine is a strong asset to the Corazon team and the clients it serves.
